CONSTRUCTION DEFECTS REGISTER

Revision
Updated

Issuer-side working log | Engineer → Contractor or Contractor → Subcontractor

COMPACT / A4 LANDSCAPE | one issue per row | use related document for full evidence

Defect ID	Date	Location	Division	Defect	Description / finding	Responsible party	Issued record / ref	Status

References identify issued documents; entries do not replace inspections, NCRs or contractual notices.
One line per finding; keep test results, photos and detailed corrective actions in the underlying document.
