This sheet records every tender's progress across three parallel streams—Estimation, Financial, Technical—plus key dates and overall state.

Tender ID: unique code

Project: name and brief description

ITB Recvd & Decision to Bid: dates and Go/No-Go

Estimation / Financial / Technical: list sub-tasks with status (Completed / In Progress / Not Started)

Dates & State: next due date, submission date, and overall status

Update immediately when any milestone changes; use line-breaks (Alt+Enter) in cells and color-code overdue (red) or imminent (amber) items.
