Glass Railing and Balustrade Inspection Checklist

Interactive checklist for inspecting glass railing and balustrades. Tick items, add comments, export as PDF/Excel. Ensure safety and compliance.

Project:

Date:

Filled by:

Pre-Inspection Preparation

1	Gather necessary tools such as spirit levels, measuring tape, and safety gear.
2	Ensure the inspection area is safe and accessible, with proper lighting.

Glass Panel Inspection

3	Check glass panels for cracks, chips, or scratches that could compromise safety.
4	Verify that the glass meets thickness and strength standards as per regulations.

Mounting Hardware Verification

5	Inspect mounting brackets and connectors for corrosion or damage.
6	Ensure all bolts and screws are tightened to the manufacturer's specifications.

Alignment and Positioning

7	Check the alignment of the glass panels using a spirit level.
8	Ensure balustrades are evenly spaced and symmetrical.

Sealant and Weatherproofing

9	Examine sealant application for gaps or peeling that might allow water ingress.
10	Confirm that weatherproofing measures are intact and effective.

Final Safety Checks

11	Ensure all glass edges are properly polished and safe to touch.
12	Test the overall stability by gently applying pressure to different sections.

Introduction	How to use this checklist
Inspecting glass railing and balustrade installations is crucial to ensure both safety and aesthetic appeal. The process involves checking the integrity, alignment, and security of the glass panels and supporting structures, typically used in balconies, staircases, and terraces. This checklist guides you through a complete examination, covering key components like glass quality, mounting hardware, and sealant application. Proper inspection minimizes risks, enhances durability, and ensures compliance with safety standards. This interactive checklist allows you to tick items, add comments, and export results, complete with a QR code for authenticity.	1. Click the “Use this checklist” or "Start Interactive Checklist" button to launch interactive mode. 2. Tick each item online as you complete it. 3. Add comments on individual items or the entire checklist. 4. Click Share or Download to download your completed checklist as PDF or Excel.
