

Plumbing Rough-In Inspection Checklist

Interactive plumbing rough-in inspection checklist with tick, comment, and export features. Ensure compliance and quality before concealment.

Project:

Date:

Filled by:

Pre-Inspection Preparation

1	Ensure all plumbing plans and specifications are on site for reference.
2	Gather necessary tools: tape measure, level, flashlight, and camera.
3	Ensure the site is clean and accessible for inspection.

Pipe Installation

4	Check that all water supply lines are correctly sized and properly aligned.
5	Verify that all pipes are securely fastened and appropriately spaced.
6	Inspect for any visible leaks or damage in the piping.

Drain and Vent Inspection

7	Ensure that all drain lines maintain proper slope for drainage.
8	Verify vent pipes are correctly installed and free of obstructions.
9	Check that drain and vent connections are properly sealed.

Fixture Placement

10	Confirm all fixture locations match the approved plans.
11	Verify that rough-in dimensions for fixtures are correct.

Pressure Testing

12	Conduct pressure tests on water lines to check for leaks.
13	Document test results and any anomalies found.

Final Review

14	Review all findings and ensure any issues are addressed.
15	Compile a final report with notes and photographs.

Introduction	How to use this checklist
<p>A plumbing rough-in inspection is a critical step in the construction process, ensuring that all plumbing lines are correctly installed before walls, floors, and ceilings are sealed. This phase involves verifying the placement and installation of pipes, drains, and vents according to the building plan. It is crucial to catch any issues at this stage to avoid costly repairs or modifications later. This checklist provides an interactive, user-friendly way to ensure all aspects are checked, with features to document and export the inspection for record-keeping and compliance.</p>	<p>1. Click the "Use this checklist" button to launch interactive mode. 2. Tick each item online as you complete it. 3. Add comments on individual items or the entire checklist. 4. Click Share or Download to download your completed checklist as PDF or Excel.</p>
